The Netvoyager Neterm LX2090 is a powerful highly integrated 19" LCD thin client desktop solution that is suitable for environments that require a wide variety of application server support and emulation connectivity. The LX2090 provides all this in a stylish, space efficient slim desktop display device which is remotely manageable.

The Neterm LX2090 integrated thin client desktop is the ideal method to deliver applications on-demand using server-based computing. The LX2090 is suitable for implementation in healthcare, call centres, retail or any corporate enterprise.

Designed with simplicity in mind, the Neterm LX2090 is suitable for delivering office and administrative applications seamlessly.

As standard the Neterm LX2090 includes remote session support for Microsoft, Citrix, Tarantella and X11 servers, SSH and terminal emulation, wireless support, security and manageability in a very small desktop footprint. The embedded Mozilla Firefox browser provides the Neterm LX2090 with independent internet access whilst supporting Macromedia Flash and Java technologies.

The Neterm LX2090 offers unparalleled expansion using USB ports. The Neterm, like all other Netvoyager thin client desktops are remotely managed using the Netvoyager InFocus enterprise management tool as well as direct connection from a remote browser.

The Netvoyager Neterm LX2090 is the perfect single desktop strategy to access homogenous networks with multiple systems such as Windows and Unix systems. With powerful graphics and stereo sound, there is no compromise in productivity features.

Whether it is for a remote site or local use, the Netvoyager Neterm LX2090 plugs straight into your network and to your server-based computing infrastructure without any requirement for significant configuration.

A complete industry standard plug-n-play desktop solution which is user-friendly, requires no application installations and is virus protected.

A space efficient desktop solution with a very low total cost of ownership (TCO) and a high return on investment (RoI) ratio.
