

Thin Client Comparison Guide

Contact ~ +44 (0)845 108 3030 ~ www.netvoyager.co.uk

Optimum Desktop Computing

- ✓ LX devices use Netvoyager PhoenixOS™ Linux OS
- ✓ Protected against virus, spamware and pop-ups
- ✓ 3 year RTB warranty
- ✓ VESA mounting with optional mounting plate
- ✓ Silent with no moving parts
- ✓ Low power consumption and CO2 footprint
- ✓ Low TCO and high ROI
- ✓ All devices PXE boot

Netvoyager InFocus Thin Client Management

All Netvoyager LX thin clients have built-in web and VNC management but the Netvoyager InFocus software provides additional Enterprise level control over your Netvoyager LX thin clients.

- ✓ Centralised command & control management
- ✓ Device discovery and grouping
- ✓ Push & pull device configuration
- ✓ Scheduled tasks
- ✓ Password recovery, shutdown and wake-on-demand
- ✓ Unlimited number of devices can be managed
